में जो बातचीत चल रही है तो क्या उस पर नये दृष्टिकोण से सोचने की जरूरत नहीं है? यह भी मैं सरकार से जानना चाहूंगा कि ऐसी जरूरत है या नहीं कि हम भारत और पाकिस्तान के बीच इस परीक्षण को रोकने के बारे में नये सिरे से विचार करें, इसके लिये यह एक नयी परिस्थिति पैदा हुई है या नहीं यह मैं माननीय मंत्री महोदय से जानना चाहता हूं?

SHRI K. NATWAR SINGH: Sir, we have said on many occasions that in regard to the nuclear question, we do not look at it as a bilateral or regional matter. The hon. Prime Minister has spoken about it a number of times. I have said so that this is a global matter and there are other ramifications and complications of a highly sensitive nature which I would not like to go into but our broad policy has been that this is a global matter and not a matter between the two countries sitting down across the table and sorting it out.

SHRI CHATURANAN MISHRA: In fact, it is connected with our relations with Pakistan. It was a specific question. It has not been replied to.

MR. CHAIRMAN: Next question.

Setting up of application projects in Orissa

*425. SHRI JAGADISH JANI:†
SHRI BASUDEB MOHAPATRA:

Will the PRIME MINISTER be pleased to state:

(a) whether it is a fact that the National Natural Resources Management System (NNRMS) have identified some application projects to be set up in the state of Orissa;

(b) if so, what are the details thereof; and

(c) the estimated cost of the projects and how much amount has been allocated so far for their implementation?

THE MINISTER OF STATE IN THE MINISTRY OF SCIENCE AND TECHNOLOGY AND THE MINISTER OF STATE IN THE DEPARTMENTS OF OCEAN DEVELOPMENT, ATOMIC ENERGY, ELECTRONICS AND SPACE (SHRI K R. NARAYANAN): (a) to (c) A Statement is laid on the Table of the Rajya Sabha.

Statement

(a) and (b) Yes, Sir. Under the National Natural Resources Management System (NNRMS) 12 application projects have been identified by the Orissa State Remote Sensing Application Centre to be carried out by them with technical guidance from the Department of Space (DOS)/Indian Space Research Organisation (ISRO). These projects generally fall in the following disciplines:

—Crop Acreage and Production Estimation.

—Drought Monitoring

—Wasteland mapping.

—Soil mapping.

—Regional Geological Mapping for mineral resources.

—Impact of mining and super thermal power station on environment (landuse).

—Urban Landuse Studies.

—Ground water potential zone mapping for Drinking Water Technology Mission.

—Flood mapping.

—Prioritisation of watersheds

—Monitoring vegetation cover.

—Coastal environment mapping and related studies.

† The question was actually asked on the floor of the House by Shri Jagadish Jani.

(c) The total estimated cost is about Rs. 125 lakhs. The budget provision is as under:

	Rs. in lakhs
1987-88	9.25
1988-89	62.57
1989-90	52.43

श्री जगदीश जानी : माननीय सभापति महोदय, क्या प्रधान मंत्री जी यह बताने की कृपा करेंगे कि उड़ीसा रिमोट सैंसिंग अप्लीकेशन सेंटर प्रोजेक्ट जो शुरू किया गया है उसके लिये जो धनराशि रखी गई है वह कम है, जिसको बढ़ाने की जरूरत है ताकि उसका काम आगे बढ़ सके, तो मैं जानना चाहता हूं कि इसके लिये कितनी और धनराशि केन्द्रीय सरकार देगी ?

SHRI K. R. NARAYANAN: Sir, we have not received any complaints about the insufficiency of funds. As far as we are aware, all these 12 projects are under implementation and they are going on. The Orissa Government was one of the first States which has actually taken up the establishment of a space application centre as early as in May 1984. We are prepared to help that Government in various ways, the space department, for the promotion of this work. But the schemes are still on-going and we are not aware of any lack of funds for the implementation of the projects.

श्री जगदीश जानी : सभापति महोदय, उड़ीसा में यह जो प्रोजेक्ट शुरू हुआ है यह बहुत अच्छी बात है, इसके लिये मैं प्रधान मंत्री जी को बधाई देता हूं और साथ ही साथ मैं यह जानना चाहता हूं कि 1987-88 में उड़ीसा में इन प्रोजैक्ट्स के जरिये क्या काम हुआ है ?

SHRI K. R. NARAYANAN: Sir, while I have details about various projects as well as their current status. First of all, there is a project for large area crop acreage and production estimation. This has been going on. Surveys have been going on and studies have been going on and we know this is not the kind of project which produces immediate results. Its investigations and surveys can be followed by practical action by the Government concerned. Then, there is another project for the identification, classification and monitoring of drought. Yet another project is mapping of waste lands. Another one is mapping of soils. Another one is for geology and mineral resources. Another project is for urban land use study and another important project is for ground-water potential zone mapping for drinking water technology mission and under this, three districts have been chosen for Orissa where this is going on. There are various other projects. I do not have to read them out.

SHRI BASUDEB MOHAPATRA: The hon. Minister has stated that twelve application projects have been identified by the Orissa State Remote Sensing Application Centre to be carried out by them with technical guidance from the Department of Space. In this connection, I would like to say that the responsibility for implementation of these projects has been given to the Orissa Remote Sensing Application Centre and the Minister has stated that funds have already been allocated. In this regard, in 1987-88 only Rs. 9,25,000/- has been allotted as stated by the hon. Minister. The State Government has requested the Centre for allotment of funds to the tune of Rs. 33 lakhs. I would like to know from the hon. Minister whether the amount as requested by the State Government has already been sanctioned or released for this purpose.

SHRI K. R. NARAYANAN: This new request from the Orissa Government will receive due consideration from the Central Government.

MR. CHAIRMAN: Kumari Sayeeda Khatun

SHRI BASUDEB MOHAPATRA: I have another supplementary.

MR. CHAIRMAN: Yours is the second name. You can put only one question.

कुमारी सईदा खातून : सभापति महोदय, मैं माननीय मंत्री जी से जानना चाहती हूं मेरा सवाल थोड़ा अलग हट कर के है। उड़ीसा में परियोजनाओं की स्थापना की गई है। इन में एकड़वार फसल के बारे में, सूखे के बारे में, परती भमि का मानचित्रण भी दिया गया है। मैं यह जानना चाहती हूं कि क्या मध्य प्रदेश में भी यह योजना चालू की गई है और इसके लिए मध्य प्रदेश को कितना पैसा आवंटित किया गया है?

SHRI K. R. NARAYANAN: I need a separate question for that.

Raids conducted by the Central Bureau of Investigation

*427. SHRI SHANKER SINH VAGHELA: Will the PRIME MINISTER be pleased to state:

(a) the total number of raids conducted by the Central Bureau of Investigation during the last three years; and

(b) the details of the property unearthed during the raids?

THE MINISTER OF STATE IN THE MINISTRY OF PERSONNEL, PUBLIC GRIEVANCES AND PENSIONS AND THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS (SHRI P. CHIDAMBARAM): (a) 879 searches were conducted by the CBI in special Drives during the last three years.

(b) During the course of searches, the following movable/immovable assets have been discovered:—

Movable assets: Rs. 649.55 lakhs.
Immovable assets Rs. 568.65 lakh.

श्री शंकर सिंह वाघेला : सभापति महोदय, सी० बी० आई० की इन्क्वायरी जिन लोगों पर चलनी चाहिये मैं यह पूछना चाहता हूं कि विन चड्ढा और बच्चन ब्रदर्स के ऊपर क्या कोई सी० बी० आई० इंक्वायरी चल रही है या नहीं। जैसे पहले पता चला था कि विन चड्ढा यू० एस० ए० का ग्रीन कार्ड होल्डर है और अब पता चला है कि वह ग्रीन कार्ड होल्डर नहीं है। इसलिए मैं यह जानना चाहता हूं कि यह जो इकोनोमिक आफेंसेज में इनवाल्वड है विन चड्ढा बोफोर्स के बारे में और बच्चन ब्रदर्स के खिलाफ क्या कोई सी० बी० आई० की इंक्वायरी चल रही है या नहीं अगर नहीं चल रही है तो क्यों नहीं?

SHRI P. CHIDAMBARAM: Sir, I seek your indulgence. The question relates to the number of raids conducted by the CBI during the last three years and the details of the property unearthed during those raids. I have furnished the answer. I do not know how the supplementary relates to the question. (*Interruptions*)

SHRI K. MOHANAN: It is for the Chair to decide.

MR. CHAIRMAN: You cannot increase it to cover all the investigations by the CBI because the question is with regard to the number of raids conducted by the Central Bureau of Investigation during the last three years and the details of the properties unearthed during those raids. (*Interruptions*)

SHRI P. CHIDAMBARAM: I have given the answer. (*Interruptions*)

श्री राम अवधेश सिंह : इस पर एक घंटे की पूरी बहस हो जाये... (व्यवधान)...

श्री सभापति : आपको क्या कहना है... (व्यवधान)...

श्री शंकर सिंह वाघेला : मैंने पार्टीकयूलर क्वेश्चन पूछा है। बोफोर्स में हमारा बहुत बड़ा इन्वाल्वमेंट है...
